Outreach to the French-speaking world

Happy New Year!  
May it bring you peace, joy and a focus on things eternal rather than what's futile and fleeting. In the fog of the unknown as in new challenges, God is there. We too want to stick with you and be at your side in 2022.

***"People can make all kinds of plans, but only the Lord's plan will happen."  
(Proverbs 19:21)***

Feel like singing? Here's our favorite French chorus, Choeur à coeurs, singing "Christ soit loué" (Be Lifted High):

For you history buffs, here's a BBC video about Lyon's secret labyrinth:

The more it freezes in January,  
the more fruitful the year to come.

He who doesn't want to make a mistake  
must marry on Feb. 30.

When frogs sing in March,  
fair weather is back to stay.

A flowery June, true paradise

July sun brings fortune.

It's the month of August that bestows good flavor.

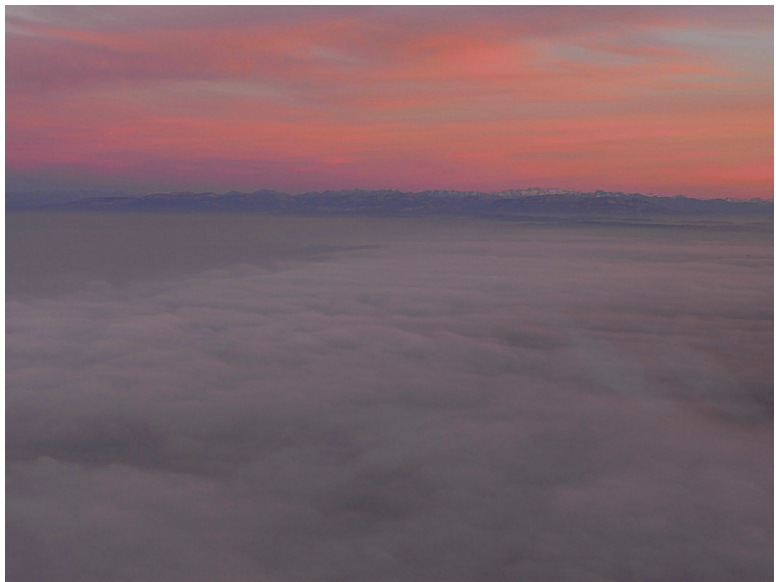

September often proves to be like a second spring.

October thunder yields a bountiful harvest.

Fog in November, winter will be tender.
